

Allen ISD's Character Education Program: *Be the ONE*

Be the ONE is an initiative to link Allen ISD schools in their efforts towards service learning and character education. The goal of *Be the ONE* is to create positive gains in the value structure of the students, faculty, parents, and community. This is done through allowing each campus to determine what needs their student population exhibits in the areas that *Be the ONE* names. Each school will provide a program that is tailored to that campus and successfully fulfills the identified needs. *Be the ONE* is a common thread between the schools that will demonstrate to the community that Allen schools are working toward a common goal in the areas of service learning and character development.

Help support *Be the One*, by purchasing a shirt today and wearing it on the day designated by your campus.

To order, please visit Allen ISD's School Pay site* - <https://www.schoolpay.com/parent/mip/MchM>

T-shirts will be available for purchase October 10 – October 25
